

“...stir in us a sense of solidarity beyond all isolation; if our doors are closed, let our hearts be open...” Archbishop Mark Coleridge

*Dear SPC Residents and Staff*

God's Peace to you all.

As you know the Covid-19 outbreak situation is becoming very serious and widely spreading across the world including our nation. May I take this opportunity to send you information regarding our management of Covid-19 situation for pastoral care. This follows both the Government and the Archdiocese of Brisbane's policies

- The Chapel and the Prayer Room will be closed until further notice.
- There will be NO Mass, Holy Communion, Religious activities including Station of the Cross, Rosary, and visiting until further notice.
- Observe social distance -4 square meter.

No doubt these are challenging times we all share: Residents, Staff and the Sisters, everybody is affected. This is a tough challenge for the Sisters not able to minister to you in the way we would love to and this includes spending quality time with you.

Our sincere thanks to the management team, staff and residents who have been working hard, putting in a selfless effort and cooperating to ensure our facility has a safe and caring environment.

We will continue to keep each one of you, and your loved ones in our daily prayers. Let us join with one another in prayer, asking our Loving God, the Healer of all, to heal and strengthen us during this time of crisis. Let us ask our Lady to intercede for us, for our nation and the world to be free of the coronavirus.

May the peace and love of Christ be our strength at this time of crisis.

Keep up the good effect to remain healthy

Yours in Christ,

Sr Teresa Lau

and Sisters of the Pastoral Team
